Aludecor

Metal Composite Panel

As a national leader in the metal composite panel industry, Aludecor stands at the forefront of innovation, quality, and sustainability. Our dedication to perfection earned us the European Aluminium Award - ESQR (European Society for Quality Research). With over two decades of expertise, we have consistently led the way in redefining modern architecture through our cutting-edge aluminium composite panels (ACPs). Our state-of-the-art facilities include seven advanced lamination lines, giving us the unmatched capacity to manufacture 9.6 million square meters annually. Aludecor is the only company to have a palletising line for manufacturing FR granules, ensuring us to advance our leadership in safety and technology. Trusted by architects and industry professionals nationwide, we have 2 lac projects beautified. By blending aesthetic excellence with high-performance solutions, Aludecor continues to inspire creativity and elevate the built environment, all while delivering versatile and durable cladding solutions that meet the evolving demands of modern architecture.

- ◆ 1st ACP manufacturer with NABL accredited R&D FR Lab (as per ISO/IEC 17025:2017)
- ◆ Only company in India to have a palletising line for manufacturing FR granules
- ◆ Over 22 years of championing the metal composite panel industry in India
- ◆ Available in over 250 cities across India & select international presence
- ◆ Over 9.6 million square meters annual production capacity
- ◆ 500+ shades, personalised to fit your world
- ◆ Over 2 lac projects beautified in India
- ◆ 7 State-of-the-art lamination lines
- ◆ 1st Aluminium coil coaters in India

about nature

Collection

Since time immemorial, humanity has drawn inspiration from nature—its strength, serenity, and soul. Timber, stone, and sand have not just shaped our homes, but also our heritage. These elemental textures whisper stories of cascading waterfalls, ancient forests, and golden deserts—reminding us of a time when architecture existed in harmony with the earth.

At Aludecor, we honour that legacy through innovation. Our collection seamlessly brings together the timeless charm of timber, the enduring strength of stone, and the primal beauty of sand and rustic finishes—crafted for the conscious world of tomorrow.

Inspired by raw landscapes and sacred origins—from the soulful woods to the sacred sands of Haridwar—this collection embodies a vision born from nature and elevated by design. With sustainability at its core, these shades allow you to recreate the natural textures of wood, stone, and sand, rustic without depleting their sources.

This is more than a catalogue—it's a celebration of elements, a decade of design excellence, and a commitment to building spaces that are bold yet rooted, modern yet classic. Designed in India, for the world.
